

Coastal Aviation

The flying safari company

Dear ,

Coastal Aviation has recently opened a transit lounge in Dar es Salaam nearby the airport (only four minutes driving). Our guests can enjoy a complimentary transfer and take a nap in case of long layover, totally free of charge!

Our transit lounge offers water, hot coffee and tea, armchairs, deckchairs and a peaceful environment with a small garden. A free wifi internet connection is also available.

Open 24/7, useful for night arrivals and departures (e.g. Turkish, Ethiopian...)
