

Dear ,

please take note of the below changes affecting our flights in Selous Game Reserve **from the 1st of June 2017.**

#### **CQ305 - AFTERNOON FLIGHT INTO SELOUS**

Following the insisting request from our agents, we decided to **postpone the flight to 16:30**. It was previously scheduled to operate at 16:00, however this often resulted in a too short connection for guest arriving in DAR with Emirates, Qatar and South African, due to the long queues at customs. The extra 30 minutes will ensure a smooth and reliable connection.

#### **CQ306 - AFTERNOON FLIGHT OUT OF SELOUS**

As a consequence of the above postponement we will no longer be able to operate the late afternoon flight out of Selous, which will be regretfully **removed from the schedule with immediate effect**. Be reassured that, as usual, **we will honor every existing booking** and we will accept further passengers on those flights. But also for new dates worry not: our reservations staff might be able to make a plan for you on a day by day basis, with us or with another carrier. Just contact us and we will find the best solution for you as usual!

#### **NEW AIRSTRIP: MBUYU**

Starting from the 1st of August we will operate on request the Mbuyu airstrip, in lower Selous. As usual the airstrips stops will be added on a first-come-first-served basis, up to a maximum of 3 airstrips per flight.

You can download the updated schedule and price list from the link below.

Kind regards,

Enrico Tognoni
