

Dear ,

Coastal Aviation wishes to remind **all our passengers travelling from the Maasai Mara to The Serengeti via Migori and Tarime need to have a valid Yellow Fever Certificate**. Recently we have had many guests held up for over an hour at the Isebenia Border by Tanzanian Port health officials. These issues have been causing delays to flights and affecting other well prepared guests.

We do not like having to leave late passengers behind...but sadly, it may, in the end, have to come to that.

Kind regards,

The Coastal Flying Safari Team
