

Dear ,

**Kenya Bans Plastic Bags**

This morning we received news that Kenya is banning plastic bags. This will affect all arriving passengers into the country. Whilst some news is still hearsay, we are hearing the fines and penalties may be punitive. Please alert your clients and guests accordingly.

**Travel Tips Reminders / Refreshers**

Each time we publish travel tips, we will also try to remind you as to some of our not so obvious services.

This time it is to remind you that we offer **complimentary inter-terminal transfers** at Julian Nyerere International Airport, Dar es Salaam. We are in the process of upgrading our minibuses, so this service will have a whole new look, by mid-October. This service is best pre-booked at the time of booking and will also be available within the next week as an "Ancillary" that can be selected, in the booking process. It is important to stress this service is **NOT** a Meet and Greet Service. The Airport Authorities do not allow us to meet guests airside. On exiting the arrivals hall, guests should turn immediately left and find the Coastal Kiosk located in the left-hand wall 20 metres from the Arrivals door. One of our staff will be there to coordinate the transfer. Please note this service is **ONLY** available to Coastal Aviation passengers connecting to or from a Coastal Aviation flight.

Wishing you a great week ahead.

The Coastal Flying Safari Team
