

Press Release: 20150109

## 2015 FLIGHT CHANGES

### Arusha Afternoon flight:

With the introduction of the new “**Middle East Connection**” our existing Zanzibar to Arusha afternoon flight will be postponed to **16:00** and will discontinue the intermediate stops in **Pangani (Mashado)** and **Kilimanjaro International Airport**. The new arrival time in Arusha will be at 18:20. Pangani will continue to be served by our morning route along the coast. As the market didn't show great enthusiasm for these afternoon connections throughout the past year we expect not to create too much inconvenience

### Bagamoyo flights:

All flights to and from Bagamoyo on a schedule basis have been cancelled from the **1st January 2015**.

### Pemba TZ, Morning flight:

To accommodate our ever expanding network, we will be closing our morning flight to Pemba from the **1st June 2015**, this change does not affect our afternoon flight to Pemba through which our guests will still be able to travel from all Tanzanian parks to the green island.

### First Class Serengeti flight, Manyara Stop:

Due to the poor quality of the Manyara airstrip, we have determined that it is not suitable for daily take-off and landings by the Pilatus PC12. We will remove the Manyara stop from the “Serengeti Express” First Class flight from the **31st March 2015**. Manyara can still be reached daily on our regular schedule via Arusha.

### Shared Charter to Quirimbas:

Due to the little demand for the route and following recent regulations by Mozambican authorities that made our operation in the country more costly and complicated, we are unfortunately forced to discontinue our shared charter to Quirimbas islands from **March 1st 2015**. We will however continue supporting the destination on a charter basis, applying special rates. For any enquiry you can write to [aviation@coastal.co.tz](mailto:aviation@coastal.co.tz)

Do not hesitate to contact us if you need any clarification or information about our flights.
